## **MESSAGE**

I extend my heartfelt compliment to the NIC, Dhalai for redesigning and launching of District Website to make it more comprehensive and user friendly. This is in line with the ongoing initiative of delivering citizen-centric services in transparent and timely manner. Care has been taken to make maximum information available particularly relating to citizen-centric services delivered through District Administration, Dhalai. Relevant links to the services of other line departments and their websites have also been provided.

I request to all citizens of Dhalai district to utilize the new features available on the District Website in availing services and send their feedback, if any, to the NIC, Dhalai for further improvement. They can also write to me on my e-mail i.d. [dmdhalai@yahoo.com](mailto:dmdhalai@yahoo.com) and I shall be happy to reply mails, which required urgent attention.

Once again, I congratulate District NIC Team and wish the people of the district a very happy and successful year ahead.
